

Hello everyone!!

A reminder that **Tickets go on sale Monday April 9<sup>th</sup>**. You will receive an email tomorrow that will indicate which show/shows your child is in.

A reminder that age does not dictate what show your dancer (s)' will be in. Age groups are distributed between both shows. Configuring who is in each show is a tedious task and I try my best to keep families and dancers who have multiple classes in the same show, but it is difficult as I must go with the majority of the class. If you are in more than one class, it is more than likely that you will be in both shows. As stated at registration, to minimize stress, these 2 days should be kept free and clear of conflict. Our dancers work so hard all year and should be stress free on show day as they showcase all their hard work! We feel like it's Christmas day with lots of Happy Dancing! ☺

**Attached is the ticket order form.**

There will be a cap on ticket orders this year. No worries though! You will have 2 reserved tickets for purchase for each show your child is in and you can purchase up to 3 additional tickets per show on ticket sale day. *You may also request how many additional tickets you would like and we will do our best to accommodate your request.* Often, many families only purchase 2 tickets, leaving additional tickets available. We will notify you after May 1<sup>st</sup> if your additional ticket request can be granted. Additional requests are filled in the order they are received on ticket sale day. Payment for the additional ticket request will not be due until the request is verified. We know everyone is super excited to see our hard working dancers in "Let The Goodness Continue".

For your convenience I have copied the ticket information that is in your Show Handbook.

***From the Show Handbook...***

Tickets go on sale **April 9<sup>th</sup>** and cost \$17 each. All studio accounts (tuition, late fees, costumes, etc.) must be paid in full before completed ticket orders will be released. Completed ticket orders will be available to pick up in the office beginning **Monday, May 14<sup>th</sup>**.

Please be prepared on ticket sale day by having your order form complete along with payment. Please note - if additional tickets are requested, we cannot guarantee they will be seated with your original order, but we will try our very best.

We cannot guarantee that the shows will not sell out, so please place your order in a timely manner.

To create an organized and professional atmosphere, all tickets are **reserved seating**. Each audience member must have a reserved seat. Fire Law dictates that everyone, including infants must have a seat. Children may sit on laps as long as a seat/ticket has been designated for them. Infant carriers are permitted into the auditorium as long as a seat has been purchased to place it on.
