

emjāez Dance Studio presents...
“emjaez Goes To Broadway”
 2025 Show and Costume Information

Dress Rehearsal & Show Dates: June 20-21, 2025

- Location: Elyria Performing Arts Center (EPAC)
- Dress rehearsal is mandatory. Please clear your schedules of any activities for these dates when making a commitment to the show. With the exception of pre-arranged mandatory conflicts, any dancer who is not present for dress rehearsal will not be permitted to perform in the show. In fairness to all of our dancers, there are no exceptions to this rule, unless it is an emergency situation.

Costumes

Costumes are paid for before the order is received and the costume companies do not give refunds. Therefore, once costume payments have been received, there are **no** refunds for any reason. Should your child drop out for any reason, including illness or injury, you are still responsible for payment in full and you will receive your costume when it comes in. Due to the high rising costume and shipping expenses, should the price of the costume be higher than the deposit paid, you will be notified and the balance will be added to your account. *Any alterations needed are the responsibility of the dancer.* Costume deposit prices are listed below. Payments in the form of Cash or Check will be accepted. All costume checks can be made payable to *emjaez dance studio* and should be on a **separate check from your tuition**. **New this season** ~ credit card payments are accepted for costume payments and can be charged to your account. Additional fees apply. **Please fill out a separate form for each child**, but you may write **one check** for the costume total. Please be sure to include the \$15 performance fee for each child in your total.

Costume payments are due by January 25, 2025.

Please fill out the bottom section and return with payment no later than January 25, 2025. Payments received after January 25th will be charged a \$20 late fee.

One student per form, please ☺

*Note: Each costume company's sizing is different. We measure each child and fit her/him appropriately to the sizing chart for each costume company. **You do not need to specify a number size, only child or adult.** Should there be a difference in the size you ordered (child or adult), you will receive a refund if tuition is paid in full or have the balance added to your account. Generally, a **Small-Medium Child is a size 2 thru 8**, and a **Large Child thru Adult size begins at a size 10 child**. **Adult XL and up may be subject to an additional fee.** Order a child or adult size and if we need to go up or down in size, we will notify you of the price difference.*
